

4 Post Rack

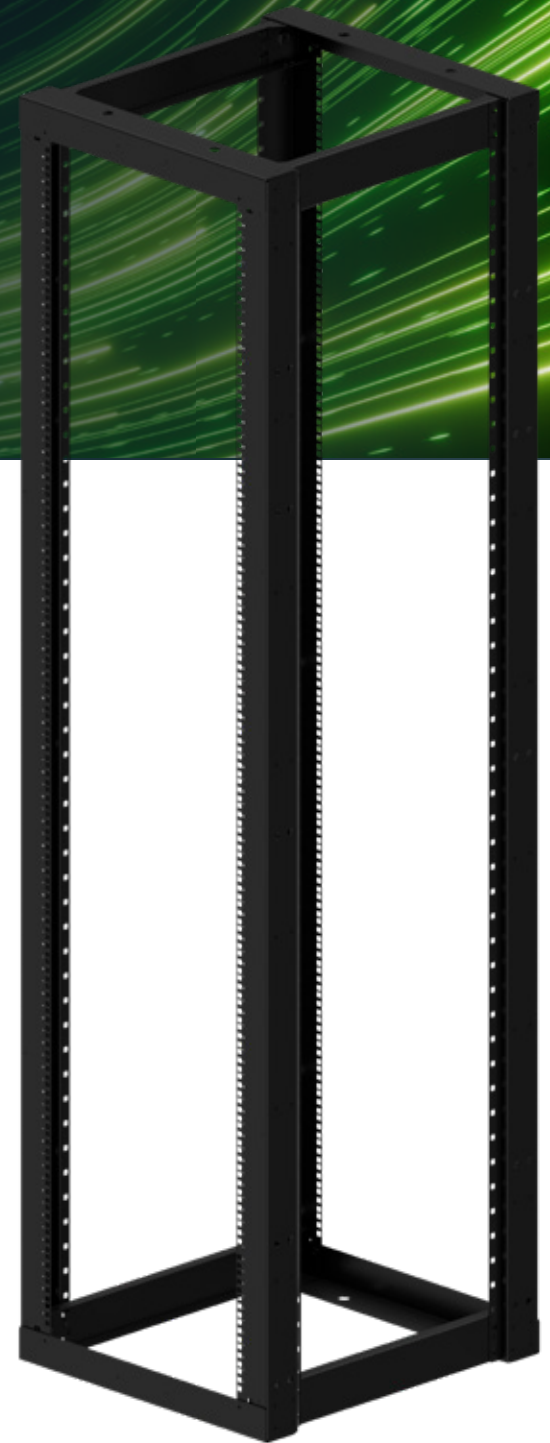

The Inova 4 Post Rack stands as a reliable and adaptable infrastructure solution for organizations seeking a robust platform to house and organize a diverse array of networking equipment. The open design of the 4 post rack provides easy access and promotes efficient airflow to mounted equipment. This versatile rack also supports horizontal and vertical cable manager and PDU mounting, allowing for flexible cable routing based on your needs. For applications requiring high density, several units can be securely fastened next to each other.

PRODUCT FEATURES

- Supports up to 2000 lb (910 kg)
- Black or white powder coat finish
- Supports 19 in EIA rack-mount equipment
- Square holes for M6 cage nuts mount (M5, #12-24, #10-32 cage nuts optional)
- Cold-rolled steel construction
- Ships unassembled to save space
- Quick and easy assembled with 16 screws
- Rack components are bonded together during assembly in accordance with industry standards

PRODUCT SPECIFICATIONS

| | |
|--------------------|--|
| Rack Height | 42U/ 45U/ 48U/ 52U |
| Rack Width | 23.6 in (600 mm) |
| Rack Depth | 25.6 in (650 mm)/ 29.5 in (750 mm)/ 33.5 in (850 mm) |
| EIA Mounting Rails | Cage nut style, numbered mounting positions |
| Compliance | RoHS/ EIA-310E |
