

## Cabinet Accessory - Grounding Bar Kit

SKU#: INV08-00018

The Grounding Bar Kit provides a dedicated ground system to maintain system performance and protect network equipment when equipment is already installed. Optimized for installation on any standard 19-inch 4 post rack or cabinet that meet EIA-310E. The thread-forming screws eliminate the need to manually remove paint from the rack and provide a complete system of matched components that can be easily selected to save cost and labor.

### PRODUCT APPLICATIONS

- Telecom/ Data Center

### PRODUCT FEATURES

- Effectively protect network equipment
- Universal usage fit with any brand cabinet that is 19-inch and EIA-310E conformance
